THANK YOU FOR HELPING TO RAISE AWARENESS OF FOOD RESTRICTED DIETS.

The I Can't Eat "THAT" Club in our town:

1. We have meetings, no food allowed, and just have fun! Sometimes we go bowling, to the movies, or just play games.
2. We have a non-food prize box at our school for kids to get a treat when others bring in food treats we can't eat.
3. We wrote a letter to teachers reminding them that non-food treats are fun for "ALL" kids.
4. We share ideas, recipes and support each other about staying on our own individual diets.
5. We find ways to be involved in everything, regardless of our food restrictions. And More....
